Johnny Longhots

Who is Johnny?

Johnny Longhots is my charismatic Uncle John from Brooklyn who always has a good joke or an over exaggerated story to tell about the neighborhood.

Growing up in Brooklyn, much like in South Philly, you were often known by a nickname. Uncle John is known as "Johnny Longhots."

The name "Johnny" is not for the obvious - It's for being able to "handle" his Johnnie Walker Red. "Longhots" comes from his love of Italian Long Hots, which he puts on almost everything - He always says... "Cause everything's better with Long Hots!"

As inspired by my Uncle John, I welcome you and your family to where New York meets Philadelphia, here at Johnny Longhots!
